Questions for the Community

Personal Reflection

1. How is Micah's message making you uncomfortable. Don't short-circuit the process! Stay with it. Talk to God about it. Listen to Him and trust Him all the way through rebuke to restoration.

Group Discussion

2. What oppression gets you most riled up? Have you acted to make changes? Why or why not?
3. Who has the "power in their hands" today? Who are the influencers? Who are those with the spotlight and microphone telling THEIR truth to the masses?
4. How do you see people using power? What is the fruit of that usage? (how are YOU using your power...what is the fruit?)
5. Discuss areas of confusion where you aren't sure what the straight line is. Humbly seek to grow in understanding and then obedience to God's word and will

Plan of Action

6. Re-commit yourself to God and His Word (see Acts 20). Confess areas of sin that you have minimized, ignored or altered to make life easier for you. Ask God for the grace to walk by faith on his straight and narrow path.
