INTRODUCTION

In a world filled with distractions and a rapid pace of life, we need to carve out sacred moments where we can draw closer to God. We need to recognize the importance of strengthening the bonds within our families, understanding that prayer has the power to unite generations and instill shared values. We envision this prayer book as a tool to facilitate those intimate moments of reflection and devotion within our households.

Additionally, we aim to foster a sense of unity within our church community, realizing that collective prayer has the potential to not only bring us closer to God but also to one another. This prayer book serves as a means to bring our church family together in faith, love, and solidarity on our journey of faith.

How to use this book

We want this year to be a year of growth for you and your family. Every month, there will be a specific topic for you and your family to discuss, pray over, and explore through reading scripture.

On each page, there are three different sections.

1. Basic truths can be memorized by younger children to help them build an understanding of the topic for the month.
2. Discussion Questions can be used around the dinner table, car rides, or during your devotion time with your family.
3. Each day comes with a prayer prompt and scripture. Take some time to read the scripture and pray together as a family.
