SOAP SCRIPTURE READING METHOD

SCRIPTURE

Write down in your journal a verse or two that stands out to you.

OBSERVATION

Write observations about the scripture you just read. What might God be saying to you through that scripture?

APPLICATION

Personalize what you have read by asking yourself how it applies to you right now.

PRAYER

Write a personal response from you to God based on what you've discovered, asking him to help you live out this truth in your life.
