

OCTOBER 2021

MISSIONS: FAITH PROMISE 2022

Our goal:

For people around the globe to hear about the love and salvation found through Jesus Christ. To enlarge His Kingdom. To make and support disciples. To help feed the hungry, care for the orphan, treat the sick.

How will they hear? Whom shall we send? How can we impact the Kingdom locally, in the U.S. and around the globe?

Through stepping out in faith as individuals and families and supporting missionaries, bible colleges, community ministries...that reach individual people with God's love. It's an additional act of worship.

2022 Goal is \$330,000 for Faith Promise giving. (This is how we set our missions' budget.) This is the same goal as 2021.

What can you do:
