Hey parents!

Faithfulness is not something that is often valued in our world. Without God we are competitive, fickle, and discontent. We can only be truly faithful when our loyalty is grounded in the Lord. This week, we challenged kids to be faithful to God and to make God #1 - no matter the cost! This isn't always the easy, fun, or popular route, but, from God's Word, we know it's the ticket to an abundant life. King Solomon had it all when he kept his focus on God, but as soon as he compromised and lost his focus, the Israelites walked through a difficult season.

Take the Family Challenge

Why would anyone choose not to make God #1 in their life? This week, ask yourself that question when you watch TV. Watch for five examples of temptations that might persuade kids and parents to not remain faithful to God.
