

Who Am I in Christ?

When we believe in Jesus as our Savior, we are forgiven and clean! Below are some of the things that are true of us when Jesus saves us. As you review them and read the Bible verses, have your child color the pictures!

My forever home will be in heaven, with God! (John 14:2)

I am forgiven!
(1 John 1:9)

I am part of God's family! (John 1:12)

DISCOVERY LAND

WHAT DID WE DISCOVER TODAY?

David keeps his promise to Jonathan.

2 Samuel 4:4, 9:1-13

Hey parents!

Have you ever made a promise to your kids? No matter the size of the promise, when you keep your word, it shows you are a person of integrity. In our Bible lesson today, King David kept his promise to his true friend, Jonathan. Promises may be difficult to keep, but they are important in a world where promises are often broken or taken lightly. This week, discuss with your kids the value of being a promise keeper.

Take the Family Challenge

Dig into your Bible and find two examples of how God kept His promises. Fold a piece of paper into four squares and draw pictures of those examples on two of the squares. On the second two squares, draw examples of how you can keep your promises. After you finish, discuss as a family why it is easy or hard to keep promises. Hang the pictures on your refrigerator to remind your family of the importance of keeping promises. Open your Bible and read John 14:2-3. What do these verses promise if you are a Christian?

Answers on back.

THINK RIGHT Romans 3:23 (Top 12)

"For all (hands from center going outward) **have sinned** (two thumbs down and look sad) **and fall short** (squat) **of the glory of God** (stand up while pointer fingers twirl pointing up)." **Romans 3:23**

Hang this verse on the door to your house. Everytime you leave your house, recite the verse as a family. Make it more fun by seeing who can say it first!

Another option is to say the reference and have your child recite the verse. Reverse the situation for better memory retention.

LET'S GO!

DO RIGHT I will keep my promises.
