Hey parents!

Today, your kids learned that God was at work getting Israel and the rest of the world ready for the coming Savior during the 400 years between the Old Testament and the New Testament. He worked through Alexander the Great, as his empire transformed language, religion, and culture. He worked through the Roman empire, which built the structures and roads that would make it possible for the Gospel message to be spread quickly once the Savior was born. These examples assure us that God is always at work, and He will never change.

Take the Family Challenge

Make two columns on a piece of paper. On one side, write ways you see the world changing and on the other side how God never changes. Discuss as a family: how does it make you feel knowing God never changes?

December Verse

""For it is by grace you have been saved, through faith—and this is not from yourselves, it is the gift of God—not by works, so that no one can boast" Ephesians 2:8-9
