

About the Youth Fellowship of Lebanon BFC

- The purpose of Youth Fellowship is to make disciples of Jesus Christ through instruction in the Word of God, fellowship with believers, serving others after the example of Christ, and engaging the world in outreach.
- Youth Fellowship meetings and events are for teens in grades 7th through 12th.
- Once you feel comfortable with YF we would encourage you to become a member. To become a member of YF, a teen must attend 4 YF gatherings in a quarter (including Sunday evening YF and social/service events). Membership status will then take effect the following quarter. You must then attend at least one meeting per quarter after that to retain membership. YF members can vote and run for office.

Come and join us for any of our YF meetings or events!
