New Wine

Verse

In the crushing in the pressing
You are making new wine
In the soil I now surrender
You are breaking new ground
(You are breaking new ground)

Pre-Chorus

So I yield to You and to Your careful hand
When I trust You I don't need to understand

Chorus

(So) Make me Your vessel
Make me an offering
Make me whatever You want me to be
(God) I came here with nothing
But all You have given me
Jesus bring new wine out of me

Verse

In the crushing in the pressing
You are making new wine
In the soil I now surrender
You are breaking new ground
(You are breaking new ground)

Pre-Chorus

So I yield to You and to Your careful hand
When I trust You I don't need to understand

Chorus

(So) Make me Your vessel
Make me an offering
Make me whatever You want me to be
(God) I came here with nothing
But all You have given me
Jesus bring new wine out of me

Bridge

'Cause where there is new wine
There is new power
There is new freedom
And the kingdom is here
I lay down my old flames
To carry Your new fire today

Chorus

(So) Make me Your vessel
Make me an offering
Make me whatever You want me to be
(God) I came here with nothing
But all You have given me
Jesus bring new wine out of me

Hallelujah For The Well

Verse 1

I've been drinking water
From those streams that never satisfy
I've been trying to do this on my own
I've been chasing after
All those things that have left me dry
Well I'm coming back

Chorus

Hallelujah for the well
That never runs dry
Hallelujah for Your arms
That are open so wide
Hallelujah for the truth
That You're all that I need
Hallelujah for the well

Verse 2

Though I'm prone to wander
Into deserts chasing empty pleasures
But they leave me wanting and alone
Hallelujah for the well
I can wait no longer
God Your presence is my heart's desire
So I'm coming back I'm coming back

Chorus

Hallelujah for the well
That never runs dry
Hallelujah for Your arms
That are open so wide
Hallelujah for the truth
That You're all that I need

In heaven there'll be perfect peace
There'll be joy in the streets and

There'll be no sorrow at all
We will be free from every chain
And our bodies will be whole again

Spotless beautiful bride
For Your Glory
We'll see Your Glory
