

Dear

This summer, I will be traveling to **Eswatini (formerly Swaziland)** with a team of 29 young adults from **Capo Beach Church**. For 12 days, we will be serving at our **Thembeni Carepoint**, where our church has been planting seeds of hope since 2007.

The photo to the left shows a 40-foot shipping container filled with building supplies and playground equipment—just one example of how our church has invested in this community. Over the past 15 years, students and volunteers have helped build much of the Carepoint, including a **drinking well, kitchen, medical hut, church building, and playground**. Today, approximately **190 children—many of them AIDS orphans—come daily for meals, mentorship, and encouragement**.

With our team's arrival, a lively winter camp will spring to life, filling the Carepoint with **joy, laughter, learning, and the hope of Jesus**.

During our time there, we will also travel daily to local schools to:

- Distribute school supplies
- Lead assemblies
- Host Q&A on the value of faith, education and community
- Share how faith brings both strength and purpose

After school visits, we'll spend our afternoons working on **construction projects** at the Carepoint and in the surrounding community.

Then, as the children return from school, we will lead **VBS-style outreach**, filled with interactive lessons, songs, and mentorship. At the end of each day, small groups of us will visit the homes of Carepoint children who are suffering from **malnutrition and extreme poverty**. We will pray with their families, build relationships, and provide **a month's worth of food and essential supplies**.

To keep the cost of this mission under **\$2,495 for all 13 days** I will be:

- Preparing my own meals
- Taking cold showers
- Sleeping in a sleeping bag on a air mattress

It won't be comfortable—but ministry rarely is. I'm honored to answer God's call to serve, love, and bring hope to children and families who desperately need it. I would be deeply grateful for your **prayers**, your **encouragement**, and—if God leads—your **financial support** as well.

If you would like to partner with me prayerfully and financially, please return to me your **tax-deductible gift**, made payable to: CBC and write Africa on the memo line. You can also use the QR code above and send me a copy of your donation.

Thank you so much for helping me step out in faith and bring the love of Christ to those in need.
