Trinity Family Volunteer Expectation

For several years we have had the expectation that each school family contributes 10 volunteer hours every year to the ministry of Trinity Church and/or School. Volunteer service is of great value to our church and school community. Our volunteers themselves benefit from their service to our ministries. There are many references to Christian service in Scriptures. We read in Matthew 5:16 - ***“In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven.”*** Those volunteering their service are a blessing to Trinity!

Families are asked to self-report their volunteer hours.

Families will be able to log their service hours through use of the “Family Portal” in FACTS. Families can log into their FACTS “Family Portal”. You need to use the “District Code” of TLS-MI to log in. Navigate to “Family” and then “Family Home” to add “Service Hours” in the upper right hand corner. We pray that your family is blessed through their service that glorifies God.
