\*\*All of our PreK classes are considered VPK+ because we have more hours in our calendar year than VPK covers. We charge \$125/month to cover these extra hours. We do have a limited number of VPK-funding-only positions available (\$0 tuition or fees). We still allow these children to come the extra hours as we do not want them to miss out on any instruction or activities.

If the tuition and fees of our program make it prohibitive for you to send your child to MCP for PreK, please request a VPK-funding-only position using our Scholarship Application, available at the front desk.
