

MCP is pleased to offer a Half-day Kindergarten program, Monday-Friday, 9:00-1:15.

We have a max of 14 children in each class, with both a Teacher and Assistant Teacher in the classroom.

Our Kindergarten program is fully Accredited by Christian Schools of Florida and registered with the State of Florida, so children are ready for 1<sup>st</sup> grade upon completion. We provide quarterly Report Cards as well as Parent-Teacher conferences.

We use Envision Math and Open Court reading programs as well as integrating STEAM activities into our curriculum. We incorporate hands-on, play based activities into our day. Children participate in Chapel and Spanish weekly.

#### Kindergarten Teacher Qualifications

Our Kindergarten teachers are Certified or hold a BA degree. They have passed Level 2 background checks through both the ACHA Clearinghouse and VECHS.
