## STATEMENT OF FAITH

**There is one God** and He is sovereign and eternal. He is revealed in the Bible as three equal divine Persons - Father, Son and Holy Spirit. God depends on nothing and no-one; everything and everyone depends on Him. God is holy, just, wise, loving and good. God created all things of His own sovereign will, and by His Word they are sustained and controlled. God is the God and Father of our Lord Jesus Christ. He is also Father of all whom He has adopted as His children. Because of God's faithfulness and His fatherly concern, nothing can separate His children from His love and care.

**The Lord Jesus Christ** is the eternally existing, only begotten Son of the Father. He is the creator and sustainer of all things. He was conceived by the Holy Spirit and born of a virgin, truly God and truly man. He lived a sinless life and dies in our place. He was buried, rose from the dead in bodily form and ascended to heaven. Jesus is King of the universe and Head of the Church, His people who he has redeemed. He will return to gather His people to Himself, to judge all people and bring in the consummation of God's Kingdom.

**The Holy Spirit** proceeds from the Father and the Son. He convicts people of their sin, leads them to repentance, creates faith within them and regenerates them. He is the source of their new sanctified life bringing forth His fruit in the life of believers. He gifts believers according to His sovereign will, enabling them to serve the Lord.

**The Bible**, which is comprised of the books of the Old and New Testaments, is the inspired, inerrant and infallible Word of God, and the only absolute guide for all faith and conduct. It is indispensable and determinative for our knowledge of God, of ourselves and of the rest of creation. Adam and Eve, the parents of all humankind were created in the image of God to worship their Creator by loving and serving Him, and by exercising dominion under God's rule by inhabiting, possessing, ruling, caring for and enjoying God's creation. Consequently the purpose of human existence is to glorify God and enjoy Him forever. Sin entered the world through Adam's disobedience, because of which all people are alienated from God and each other and, as a result, they all and all creation are under God's judgement.

**All people** have sinned and, if outside of Christ, are in a fallen, sinful lost condition, helpless to save themselves, under God's condemnation and blind to life's true meaning and purpose. God holds each person responsible and accountable for choices made and actions pursued. Human responsibility and accountability do not limit God's sovereignty. God's sovereignty does not diminish human responsibility and accountability.
