### CHOOSE 1 OR ALL OF THESE CHALLENGES

1. Use a journal and write out your favorite psalms and illustrate them. If you love God's Word and love art, this challenge is for YOU! Fill the journal book we give you and bring it back in early September.
2. DIG DEEPER into God's Word - if you want to begin reading the Bible daily, use this monthly reading schedule. Read, check off the date, and write 1 sentence about what you read. Use the journal we give you or a notebook to do this. Bring your notebook back in early September.
3. Maybe you're not a huge reader, but you love to talk. How about committing to talk to God every day in August? Write your prayer requests down and see how God answers. Push yourself to add praise and thanksgiving to your daily prayers (not just asking for God to do things). Write your own prayers down as well. Bring in a record of your prayer requests and God's answers in early September.
