

**Current Series:** Christmas Remixed

**Topic:** Joy To The World

**Intro:** This four-week series tells the Christmas story through a topical lens. Jesus's birth was the catalyst for the believer to find hope in difficult times, true belonging, peace, and eternal heart change through a right relationship with God. Each week, a popular Christmas song will be used as an illustration of the passage and the sermon's big idea.

**Big Idea:** Jesus' life gives joy to a weary world.

**Application Point:** Jesus' coming to this world changes everything. The Son of God is here and that ignites a joy that cannot be extinguished. Now is the time to accept His gift of grace and love, and share that with the world around us.

**Ice Breaker:** \_\_\_\_\_ makes me happy.
