#### Behavioral Therapies and Mental Health

- Phobias
- Autism
- Anxiety Disorders
- Eating Disorders
- Substance Abuse
- ADHD
- Conduct Disorder
- ODD
- Panic Disorders
- Self-Harm
- Substance Use Disorders

#### Therapies with an Emphasis on Cognition

#### Three Waves of CBT

First Wave: Principles based on Operant and Classical Conditioning-Learning and conditioning

**Second Wave:** CBT & Rational Emotive Therapy-Aaron T. Beck and Albert Ellis-Based on the cognitive model

Third Wave: Extension of the 2<sup>nd</sup> wave, but based on context, processes, and functions of how person relates to internal experiences. More holistic and includes themes based on mindfulness, acceptance, and wellbeing.

#### Third Wave CBT Therapies

- Mindfulness Based Cognitive Therapy (MBCT)
- Mindfulness Based Stress Reduction (MBSR)
- Acceptance and Commitment Therapy (ACT)
- Meta-Cognitive Behavioral Therapy
- Cognitive Behavioral Analysis System of Psychotherapy (CBASP)
- Compassion Focused Therapy (CFT)
- Dialectical Behavior Therapy (DBT)
- Functional Analytic Psychotherapy (FAP)

### Constructivist Therapies

- Solution Focused Brief Therapy
- Narrative Therapy
- Strength Based Therapy

#### Cognitive-Based Therapies and Mental Health

- PTSD
- Depression/Mood Disorders
- Anxiety Disorders
- Phobias
- Panic
- ADHD
- Physical Health
- Substance Dependence
- Eating Disorders
- Personality Disorders

#### Therapies with an Emphasis on Affect

- Client Centered
- Existential
- Emotion Regulation Therapy
- Emotion Focused Therapy
- Gestalt

#### Emotion-Based Therapies and Mental Health

- Major Depression
- Anxiety Disorder
- Trauma
- Couples
- Life stressor
- Lack of purpose and Meaning

#### Therapies with an Emphasis on Integration

- Transtheoretical Model
- Integrative psychotherapy
- Eclectic

#### Therapies with an Emphasis on Systems

- Internal Family Systems (IFS)
- Structural Family Therapy
- Strategic Family Therapy
- Narrative Family Therapy
- EFT
- Multigenerational Family Therapy
- Eco-systemic Family Therapy
- Multi-Systemic Therapy

#### Therapies with an Emphasis on the Body

- EMDR
- Brain Spotting
- Deep Breathing/Grounding/Mindfulness
- Emotional Freedom Technique (EFT) Tapping
- Sensory Motor Psychotherapy
- Somatic Expression
- Neuro-Somatic Therapy
- Bio-Feedback
- Yoga

#### Therapies with an Emphasis on Background

- Psychodynamic
- Multi-Cultural Therapy
- Culturally Sensitive Therapy

#### Creative Therapies

- Art Therapy
- Music Therapy
- Recreation Therapy
- Play Therapy
- Psychodrama

## Questions
