*The Parent Meeting is a very important time for parents, teachers, and administration to focus on the year ahead. Meet & Greet is a special time set aside for your child to meet their teachers and classmates before the school year begins. This is their opportunity to become comfortable in their new class environment before the first day of school. It is highly encouraged that all families attend this day.

*We follow the Cobb County school system schedule for inclement weather closings. We also follow the Cobb County system schedule closely concerning holiday closings, teacher workday closings, and early release days. As Cobb County School updates the school calendar, we will do so as well. If Cobb County school system is closed, our school may be closed as well. We do make certain changes within our own schedule to accommodate the needs of a private, Christian preschool.
