

cKids at Cornerstone Church

At Cornerstone, our kids (infant – 5th Grade) are a big deal. They experience safe, age-appropriate environments where they learn about Jesus in a creative and relevant way.

We currently have two locations. Our main campus is located in Orangeburg, SC on 1481 Chestnut St. Our sister campus is located in Bamberg, SC located at 1810 Main Hwy. We would love to see you and your family visit cKids.

Your First Visit

Here's **what to expect** when visiting cKids for the **first time**:

First, find the area marked for first-time families (VIP's) There we will meet your family, check your child into our system, and then one of our heroes (volunteers) will lead your child to they age specific room.

Upon checking in for the first time, we will ask for the following **personal information**: (NOTE: We value your privacy and will not share this information with anyone)

- Parent/Guardian name(s)
- Child's name
- Child's birthdate
- Home address
- Phone Number
- Specific Instructions (Allergies, special needs)

How Check In Works

Before Service: You can check- in your child at any available check-in computer. After finding your child's name in the database, you and your child will be given matching tags that are exclusive to your family and your visit. Your child will need to wear the name tag portion while you hold on to the tag with a number on it that matches the number on your child's tag.

After Service: After the service is complete, you will return to your child's room and show your tag to the room leader and based off of corresponding numbers on the tags, your child will be released to you. Though this may seem like much, we do all this to keep your child safe.

During Service: In the event that we need to contact you during the service, your child's identification code that is on his sticker will flash up on the adult service screen. His identification code is the same number on your corresponding sticker. We ask that when this happens you exit the auditorium immediately and head to your child's room.
