This April, MS and HS students are welcome to join us for a trip north to Duluth, to grow deeper in our relationship with God and one another! Our time will include sessions focusing on being “plugged in” to our source of hope, Jesus Christ. Our time will also include down time to explore Canal Park and have fun.

**Our time will include:**

**Growth Sessions:** Each session includes worship, prayer, and messages centered around the book of Ephesians to challenge students to live lives that are connected (Plugged In) to God through his Word.

**Deeper Sessions:** Following each of the growth sessions, students will have a time to meet in smaller groups to discuss and interact with what they just heard.

**Saturday Afternoon Free-time:** We will hang out in Canal Park for the afternoon. Walk down by Lake Superior, check out shops, hangout with friends.

**Where will be stay and meet:** Canal Park Lodge will be where we stay and participate in our group sessions. Hotel Includes pool and free breakfast.
