2020-2021 PROJECT GUIDE

kingdom builders

/ˈkiŋdəm/ˈbildər/

noun

Individuals graced with a Passion to GIVE, supportive of the vision and mission of The Church, and committed to taking action by advancing the Kingdom of God in our church, our city, and our world.

our world

“to increase and expand our church’s missional impact.”

When Jesus began His ministry, He announced that the Kingdom of God was “at hand” and “in our midst.” He said that the Kingdom of God was the reason He came to earth, and we have the opportunity to partner with our Lord in building His Kingdom! North Highland Church has built God’s kingdom by prayerfully and financially supporting missionaries and mission’s projects.

I believe God has called our church to step out in faith and do more for missions in 2021.

We have a deep desire to see God’s Kingdom expand within our church, our city, and our world. Therefore, the Kingdom Builder’s project guide will incorporate local charities and church projects alongside supporting traditional missionaries. We are excited to provide resources for global missionaries, Columbus based non-profits, and evangelistic opportunities within North Highland Church.

Your generosity is an essential tool to see the completion of these projects. As you read through this project guide, ask how the Lord wants you to be involved in this new initiative. Together, we can build God’s Kingdom into a strong, long-lasting Kingdom, which “will never end.”

PROJECT HIGHLIGHT

Church Online

This year, we've seen more people move into the digital age than ever before! For a few months, North Highland Church met 100% online, and everyone got a taste of Church Online. As society "re-opens," most have gained a first-hand understanding of why it is essential to have an excellent online experience.

Through this project, we will expand and enhance our online presence. This will allow us to serve a portion of our congregation more effectively as they continue joining us online. Additionally, we will implement strategies that focus on reaching new people for the kingdom of God.

Our Church Projects

Building the Kingdom through projects based out of our own church.

\$45,000

Church Plants

North Highland desires to be a life-giving church, and as we grow, we will need to plant churches across Georgia because we want everyone to experience a church filled with “Passion.”

CLC Student Scholarships

North Highland Church is home to the Columbus Leadership Campus of Point University, and our school is educating the next generation of pastors, missionaries, and evangelists. Scholarships will provide financial support to students with outstanding academic excellence who are in need.

Church Online

Each Sunday, God’s truth is proclaimed from our location in Columbus, GA. This truth is broadcasted online to reach those outside of our building. As we expand platforms, we continue building the Kingdom online!

Heart for the House

Each year, our church participates in this church-wide SERVE Day, in which we take time to renovate and work on our facilities. Church members come together to show how much love they have for this house by preparing it to be a place where others can come and encounter God.

**“And when He came to Jerusalem,
all the city was moved.”**

PROJECT HIGHLIGHT

Jordan Vocational High School Athletics

Jordan Vocational High School (JVHS) is one of the oldest and most historic schools in the Muscogee County School District. The school was founded in 1906 and was initially recognized as one of the state's top schools. Contrary to its history, Jordan's graduation rate has recently fallen below the state median to 75%. Additionally, the school is now recognized as a Title I school with a large concentration of low-income students.

Many factors contribute to the school's current state. However, at North Highland Church, we positively believe that Jordan Vocational High School's best days are still ahead! As a church, we commit to working alongside the Athletics Department to resource and support JVHS sports to the best of our ability. By investing in this school, we believe we can positively affect the outcomes for students in our area and encourage them to succeed in their education!

Take Action

Say YES to Kingdom Builders. Our overall goal is \$250,000.

I invite you to take action by joining a team of people passionate about expanding God's Kingdom. Kingdom Builders give over-and-above their tithe to equip those who spread the gospel of Jesus throughout the world. Kingdom Builders have a personal passion for God, for People, to Serve and to Give. Furthermore, these individuals want to see their church, their city, and their world develop that same passion. I challenge you to join this group of world changers! YOU are the key to Kingdom Builders!

We may not all give the same amount, but Kingdom Builders is not about equal giving; it's about equal sacrifice. A Kingdom Builder is one whose passion to reach the lost overrides their desire to accumulate earthly possessions. Their heart beats and breaks for the things of God.

I am calling you to say "YES" to generosity. I am calling you to say "YES" to a passion for giving. I am calling you to say "YES" to becoming a Kingdom Builder.

YOU'RE ONE STEP AWAY FROM MAKING A MAJOR IMPACT IN GOD'S KINGDOM.

FAQ'S

HOW WILL THESE PROJECTS GET FUNDED?

These projects only get funded by the over-and-above giving and commitment to Kingdom Builders 2021. When each of us steps out in faith and does our part stretching our generosity, we become partners together to see God's marvelous Kingdom expand even more.

WHAT ABOUT THE TITHE?

At North Highland, we believe that every Christ-follower is called to be generous and tithe (10%) on their full income to their local church. Kingdom Builders is above and beyond our tithe and includes generous and sacrificial giving that God lays on our hearts to change the world.

WHAT IF I HAVE OTHER QUESTIONS?

We would love to answer any additional questions you may have. Please email info@north-highland.org.
