2023 PROJECT GUIDE

2023

KINGDOM BUILDERS

Individuals graced with a passion to give, supportive of the vision and mission of the Church, and committed to taking action by advancing the Kingdom of God in our church, our city, and our world.

OUR CHURCH

OUR CITY

OUR WORLD

When Jesus began His earthly ministry by announcing that the Kingdom of God was “at hand” and “in our midst.” He also said that the Kingdom of God was the reason He came to this earth, and because of this, we have the opportunity to partner with our Lord in building His kingdom here on earth.

For many years, North Highland Church has built God’s Kingdom by prayerfully and financially supporting missionaries and missions projects. I believe God has called our church to step out in faith and do even more for more missions in 2023.

North Highland has a deep desire to see the Kingdom of God expand within our church, our city, and our world. Therefore, the Kingdom Builders Project Guide will incorporate local charities and church projects alongside supporting traditional missionaries and world missions endeavors.

We are excited to provide resources for global missionaries, Columbus-based non-profits, and evangelistic opportunities within North Highland Church.

Your generosity is an essential tool to see the completion of these projects. As you read through this project guide, ask how the Lord wants you to be involved in this initiative. Together, we can build God’s kingdom into a strong, long-lasting kingdom, which “will never end.”

OUR CHURCH

PROJECT HIGHLIGHT

NORTH HIGHLAND MAIN SANCTUARY

The Main Sanctuary hosts our Weekly Worship Experiences where we collectively praise and engage with the presence of the Lord in a corporate setting. The Sanctuary is in need of cosmetic upgrades and improvements to our Audio/Visual technology so that we can continue our reach of the Gospel's message both to our in-person and online communities.

Matthew 16:18

**UPON THIS ROCK I WILL
BUILD MY CHURCH; AND
THE GATES OF HELL SHALL
NOT PREVAIL AGAINST IT.**

OUR CHURCH PROJECTS

Building the kingdom through projects
based out of our own church.

Heart for the House

Each year, our church participates in this church-wide SERVE Day, in which we take time to renovate and work on our facilities. Church members come together to show how much love they have for this house by preparing it to be a place where others can come and encounter God.

Church Online

Each Sunday, God's truth is proclaimed from our location in Columbus, Georgia. This truth is broadcasted online to reach those outside of our building. As we expand platforms, we continue building the kingdom of God online!

Church Plants

North Highland desires to be a life-giving church, and as we grow, we will need to plant churches across Georgia. We want everyone to experience a church filled with "Passion."

CLC Student Scholarships

North Highland Church is home to the Columbus Leadership Campus of Point University. Our school is educating the next generation of pastors, missionaries, and evangelists. Scholarships will provide financial support to students with outstanding academic excellence who are in need.

OUR CITY

PROJECT HIGHLIGHT

NORTH HIGHLAND COMMUNITY REDEVELOPMENT PARTNERSHIP WITH TRUTH SPRING

Truth Spring is a non-profit community development organization based out of Columbus, Georgia. Their mission is to develop and strengthen the North Highland community with Christ-centered projects and strategies. For decades, the North Highland neighborhood has been ravaged by addiction, poverty, and a general sense of hopelessness. Truth Spring intends to rebuild this community for the good of our neighbor and for the glory of God.

Truth Spring has created three projects to help accomplish their mission. Truth Spring Academy is a private, Christian school for at-risk children living within the North Highland community. Truth Spring Housing was created to provide quality, affordable housing to residents of this community. Truth Spring Trade School is a workforce development program for chronically unemployed or underemployed individuals.

FAQS

**YOU'RE ONE STEP AWAY FROM MAKING A MAJOR
IMPACT IN GOD'S KINGDOM.**

HOW WILL THESE PROJECTS GET FUNDED?

These projects only get funded by the over-and-above giving and commitment to Kingdom Builders 2022. When each of us steps out in faith and does our part to stretch our generosity, we become partners together to see God's marvelous kingdom expand even more.

WHAT ABOUT TITHES?

At North Highland, we believe that every Christ-follower is called to be generous and tithe (10%) on their full income to their local church. Kingdom Builders is above and beyond our tithe and includes generous and sacrificial giving that God lays on our hearts to change the world.

WHAT IF I HAVE OTHER QUESTIONS?

We would love to answer any additional questions you may have.

Please email
info@north-highland.org

TAKE ACTION

Our overall goal is \$250,000 for Kingdom Builder Projects in 2023!

I invite you to take action by joining a team of people passionate about expanding God's Kingdom. Kingdom Builders give over and-above their tithe to equip those who spread the gospel of Jesus throughout the world. Kingdom Builders have a personal passion for God, for People, to Serve, and to Give. Furthermore, these individuals want to see their church, their city, and their world develop that same passion. I challenge you to join this group of world changers! YOU are the key to Kingdom Builders!

We may not all give the same amount, but Kingdom Builders is not about equal giving; it's about equal sacrifice. A Kingdom Builder is one whose passion to reach the lost overrides their desire to accumulate earthly possessions.

Say "YES" to Kingdom Builders.

I am calling you to say "YES" to generosity.

I am calling you to say "YES" to a passion for giving.

I am calling you to say "YES" to becoming a Kingdom Builder.
