

KINGDOM BUILDERS PROJECT GUIDE 2026

North Highland Family,
As a church on a mission, we are passionate about sharing the life-changing message of Jesus Christ within our church, our city, and the world. The Kingdom Builders Project Guide is an essential resource that highlights our impactful ministry partnerships, showcasing local evangelistic initiatives, Columbus-based nonprofits, and global missionaries who are making a difference. This vital work is made possible by the incredible support we receive from our generous community. The success of these important projects, integral to our mission, depends on the continued commitment of donors like you.

Would you consider joining us as a Kingdom Builder by committing to monthly giving in 2026?

Let's come together to fulfill His mission and change lives!

FAQs

How are projects funded?

These projects are funded by those within our church who choose to go above and beyond their tithe by committing to give towards our Kingdom Builders projects in 2026.

What about Tithing?

We believe that every Christ-follower is called to tithe (10%) of their full income to their local church. Kingdom Builder offerings are above and beyond the tithe and include generous and sacrificial giving that God lays on our hearts to change the world.

What if I have other questions?

We would love to answer any additional questions you may have. Please email KingdomBuilders@northhighland.church or call the church office at 706-561-7777.
