

AGAIN AND AGAIN

Words & Music by Thunderstorm Artis, Ben Reeves, Casey Parnell,
Jamie Robison, Morgan Clements, Brent Mills

VERSE 1

You take my greatest flaws
My insecurities
You see my brokenness
When I make a mess of things

You know my greatest fears
Hidden inside of me
When I fall in defeat
You bring a victory

CHORUS 1

Jesus You are my healer
Blessed redeemer You call me friend
Freedom forever Love without measure
You give me life from death
Again and again

VERSE 2

There on that rugged cross
My Savior died for me
Bearing my brokenness
There in the mess of things

I've known no greater love
There on that cursed tree
You took my shattered heart
And made it your masterpiece

BRIDGE 1

Here we are here we stand
Fill us now again and again
Open hearts open hands
Fill us Lord again and again

CHORUS 2

Jesus You are my healer
Blessed redeemer You call me friend
Freedom forever Love without measure
You give me life from death
Again and again

TAG

You give me life from death
Again and again

BRIDGE 2

Hallelujah
Hallelujah
