VERSE 1

The beauty of Heaven
A peace so relentless has come
Let all the chaos come and be still
In this Holy One

The weary soul wanders
Searching for light in the dark
Let all our longing come and be filled
By this Holy One

CHORUS

We behold the son of God
Christ the Lord has come for us
Emmanuel
He has come to dwell with us

Out of the silence
Angels in anthem proclaim
Glory to God in the Highest
And peace in His Holy Name

Where kings come with armies
Humbly our Savior was born
Revealing His kingdom
Where love is the call
That will lead us home

Come and behold your King
Rejoice rejoice
Come now on bended knee

Come now and worship our King
For he has come
He has come
