VERSE 1

Jesus You're a friend of mine
I know that You're by my side
Faithful each and every time
Shaping me making me so alive

PRE-CHORUS

You've been holding my heart
There from start waiting for me
When I had nothing left
About to give in
You were right there for me

CHORUS

I'm caught up in wonder
I stand in awe of what You do
Your goodness Your kindness
Nothing compares to knowing You
You see everything I am
And show Your grace to me again
You never forsake me
Loving Father Faithful friend

VERSE 2

Jesus when I walk with You
You speak like a friend would do
Your words are a steady line
Patiently leading me every time

POST-CHORUS

Oh oh oh never alone

BRIDGE

You are the One who sees me
You are the One who knows me
You are the Faithful Friend
You never let me go

There in my darkest hour
When I am on my knees
You are the Faithful Friend
Who comes to rescue me
