

GRAVE COULD NOT HOLD YOU (SUNDAY)

Words & Music by Ben Reeves, Jamie Robison, Casey Parnell, Weber Salz,
Morgan Clements, Lane Greenleaf-Perez

VERSE 1

Lord of hope Lord of life
Our sin was paid by your sacrifice
No one could fathom none could find
So sweet a ransom so great a price

VERSE 2

Lord of mercy on Calvary
You gave your last breath for all to see
Death could not hold you
It held no sting
This is our freedom
Our victory

CHORUS 1

At the cross the cross the cross of Christ
For the sake of the world
You were crucified
But you rose again turning death to life
The grave could not hold you down
You are alive

VERSE 3

Lord of promise I look to you
You have done what you said you'd do
For on the third day you rose again
And now your kingdom will never end

BRIDGE

Hope for tomorrow strength for today
You're holding our future
You're making a way
Your kingdom forever
Your name lifted high
Oh Jesus our Savior forever alive

CHORUS 2

At the cross the cross the cross of Christ
For the sake of the world
You were crucified
But you rose again turning death to life
The grave could not hold you down
