

I WILL WAIT (SATURDAY)

Words & Music by Jamie Robison, Casey Parnell, Weber Salz, Morgan Clements

VERSE 1

Waiting on the edge
And I can't catch my breath
I remember what You said
But hope is fading

So I'm holding fast to You
Fighting for what's true
I want to see You move
But I'm impatient

PRE-CHORUS

I know You're working in everything
I know there are some things
That I can't see

CHORUS

I'm turning my eyes to the Savior
Leaning on every promise You made
Walking through doubt in the darkness
You said You'd come

I'm lifting my eyes to the heavens
Leaning on every word that You say
I know You go before me
You said You'd come
So I will wait

VERSE 2

There are days where I can't feel
What I know is real
Hoping that You'll heal
A heart that's broken

When the ground beneath me shakes
When the darkness doesn't break
In the middle of my pain
I know You're with me all the way

BRIDGE

I will wait for You Lord
You're always faithful
