

# WASHED AWAY (FRIDAY)

Words & Music by Jamie Robison, Casey Parnell, Weber Salz,  
Morgan Clements, Ben Reeves

## VERSE 1

Blood and water hit the ground  
Thunder rolling hear the sound  
Nails to pierce your hands and feet  
Death to fall in its defeat

## VERSE 2

Spear is buried in your side  
And criminals see paradise  
Every breath a crushing blow  
Carrying this heavy load

## CHORUS

But you came and love is on display  
You showed a better way  
The world has never been the same  
And you died to pay the sinner's price  
The greatest sacrifice  
Giving up Your life for mine

## TAG

Death is done  
The price is paid  
All my sins are washed away

## VERSE 3

This road is leading to the grave  
As the Father turns His face away  
Something greater is in store  
Life with God forevermore

## BRIDGE

All the sin and shame  
All the blame on me  
All this heavy load weighing on my soul
