Words & Music by Jamie Robison, Casey Parnell, Weber Salz, Morgan Clements

VERSE 1

Here with You now
Breathe in breathe out
With You the noise is dying down
You know my ways
This steady pace
I'm longing for a place to

CHORUS

Rest, seek, stay, breathe
Find You find peace

VERSE 2

This restless heart
Is in Your hands
You see the weight I carried in
You know my thoughts
You see my pain
I'm longing for a place to

BRIDGE

Be still my soul
Be still and know
I can rest in You my Lord
