

Ultimate Adventure & Ultimate Challenge 2020-2021

Hello!

It's been a wild year thus far, and we are so excited to get to have a fun (and different) Awana experience for your 3rd-6th graders!

One of the biggest changes this year is our schedule. Since we are meeting in person every other week, and for a shorter period of time, we are giving kids the opportunity to complete sections with a parent at home.

Of course, Awana is effective because our kids get to experience God's word in community, so if your child isn't motivated to complete sections at home, then they will still benefit immensely from being a part of our group. However, if your kid is completing sections at home, please make sure they complete the written portion as well as memorizing the verses to be able to complete them with minimal help. If you have any questions, feel free to contact our FCC Kids Admin, Michelle Shuman, at michelles@fccsantamaria.org or 805-922-8479, ext. 139.

If your child is hoping to complete the workbook this year, here is a suggested schedule to keep on track.
