INTRO

VERSE 1

Wandering into the night

Wanting a place to hide

This weary soul

This bag of bones

I try with all my might

But I just can't win the fight

I'm slowly drifting

A vagabond

PRE CHORUS 1

And just when I ran out of road

I met a man I didn't know

And He told me that

I was not alone

CHORUS

He picked me up

He turned me around

He placed my feet on solid ground

I thank the Master

I thank the Savior

Because He healed my heart

He changed my name

Forever free I'm not the same

I thank the Master

I thank the Savior

I thank God

VAMP

VERSE 2

I cannot deny what I see

Got no choice but to believe

My doubts are burning

Like ashes in the wind

So so long to my old friends

Burden and bitterness

You can just keep it moving

You ain't welcome here

PRE CHORUS 2

From now 'til I walk

The streets of gold

I'll sing of how You saved my soul

This wayward son has found

His way back home

CHORUS

He picked me up

He turned me around

He placed my feet on solid ground

I thank the Master

I thank the Savior

Because He healed my heart

He changed my name

Forever free I'm not the same

I thank the Master

I thank the Savior

I thank God
