

Helping My World of Pre-Christians Find & Follow Jesus

No Relationship – No Impact

1. Write your name in the center box above.
2. Think about each area of life and who in these various areas are “pre-Christians” that you come into contact with on a regular basis. Write in multiple names of “pre-Christians” in the boxes.
3. Circle 2 to 3 names. (How can you develop the relationship?)
4. Think about where they are in their understanding of Jesus, the plan of salvation, and what might be your part in a next step for them in giving them a “Nudge” towards Jesus.
(Consider: conversation, building relationship, their story, your story, God’s story, prayer of salvation)
5. Make a commitment to pray for these people and to “Nudge” one of these people this week.
