Missy Ballard

Please join me in prayer today for one of Missy's friends from work. Brian and Jennifer Schwartz. Their daughter Annabelle who is a freshman in high school was swimming at Raccoon River and contracted E. coli and has been having kidney and liver failure. She had a seizure last night but her labs appear to be improving this morning as they get new direction. Please pray for full recovery. For doctor's wisdom on how to treat her and for their whole family to have peace and comfort. They believe in the power of prayer.
