Welcome to Friend Day at Agape House!

I'm so glad that you honored our invitation and that you've joined us today in worship. Please relax, make yourself at home, and join in with us as we worship Jesus today.

Agape House is here to help you discover your destiny. Church isn't just something you do on weekends. It's the place you start living the higher purpose God has for you. I hope that you'll join our growing family and get to know God better so that you can fulfill His destiny for your life.

I encourage you to visit our Welcome Center and find out how you can connect to the resources and resource people we have available for you. While you're there, you can also sign up for our membership class or one of our many classes designed to help you grow your faith. You can also register for water baptism, register for child dedication, or submit your prayer requests.

Thanks for joining us today! I pray you have a wonderful worship experience at Agape House. God bless you!

Rev. Dr. Richard C. Whitcomb
