

## Relevant Church Safety Guidelines

### Social Distancing

Our entire campus is set up and equipped to encourage social distancing.

### Mask Wearing

For those 8yrs old+, masks are encouraged, but not required since we will be socially distanced.

### Safe & Spaced Seating

Our auditorium seating is limited to help us ensure safe distanced seating between families inside the worship center.

### Bottled Water & Coffee

Our Cafe will remain closed, however, bottled water and coffee will be available.

### Hand Cleaning Stations

We have hand sanitizing stations placed throughout the campus for your convenience.

**\* If you are experiencing any COVID related symptoms we ask that you join us online until you are feeling better.**

## Realkids Safety Guidelines

We are excited that our Real Kids ministry is open. Pastor Aaron and his team have worked hard to ensure that the kids are in a safe and clean environment. All temperatures are checked prior to entering the classroom and all necessary precautions have been taken to minimize any risk. If you or your kids are experiencing any COVID related symptoms, we ask that you join us online until you are feeling better.
