Will you lend us your talent?

We are in the process of staffing our boards and committees for next year. Our rolls of those willing to serve and experiences they have need refreshing since much has changed with the pandemic. If you are willing to give a couple of hours a month, or just want more information, please send us an email at office@crozetunitedmethodist.org with your interest areas. We have a place for all talents and are particularly in need of backgrounds in human resources, finance and accounting, and general management. **Will you please lend us your talent and help make a difference in the church?**
