- **Children's Fellowship Group:** The CFG that meets on Sunday afternoons is looking for help from volunteers and in shaping the direction of the program. Volunteering for this ministry is a great way to get to know the kids from kindergarten to fifth grade and provide a fun environment. Volunteering is a limited time commitment in terms of difficulty in planning and execution and is a super fun way to serve the church! For more information, email Becky Vial sbvial@gmail.com.
- **Crozet UMC's Justice Ministry meets February 1:** Justice Ministry Network members will meet here at the Fellowship Hall February 1st at 7 p.m. where we'll be updated on the status and progress of IMPACT's Research-to-Action activities! We will also discuss plans for supporting IMPACT's Rally and Nehemiah Action which are scheduled for March 2nd and March 21st, respectively. All Justice Ministry Network Members are encouraged to attend. Other CUMC members who want to know more about IMPACT's campaigns are also welcome. Refreshments will be served. Contact Lila Law at Lilav2221@gmail.com for more information.

Worship ONLINE or IN PERSON!

Join us Sunday mornings, 9:00 am and 11:00 am for worship online or in person. Worship online at <https://www.facebook.com/CrozetUnitedMethodistChurch/> or go to our website at www.crozetunitedmethodist.org.

We begin our new Worship series on infamous women, those who have become known for negative reasons, and we will explore whether that reputation is accurate and deserved. Join us as we dive deep into the origin of the reputations these women have garnered, and explore what the Bible really has to say about them. We will start with one of the most misunderstood and underappreciated women: Mary Magdalene. Who was she really? What was her relationship with Jesus? Come discover it for yourself.
