Craig Corum: We ask for prayers for Craig after he suffered a femur fracture in an accident. Please pray for a smooth recovery, relief from pain, and peace and encouragement for him in the days ahead. Also, left up his family as they support him through this healing process.

Terry Zentz: Please keep Terry in your prayers she has been in the hospital with an infection and is now being moved to rehab. Pray for continued healing, renewed strength, and a smooth transition in her recovery.

Helping Up Mission

Helping Up Mission – Where hope comes alive. Where new life begins. We're a community of hope – leading the fight against substance abuse, poverty, and homelessness in Greater Baltimore. Whether it's meeting someone's immediate needs for food and shelter or giving them ongoing care to rebuild their lives, we work to restore hearts and hope. For more information our website is helpingupmission.org.

Pray for these services:

Spiritual Recovery Program Men & Women's teams - provides individual counseling, educational classes, healthcare services and Christ-centered teaching, as well as addressing physical, psychological, social and spiritual wounds that drive addiction.

Next Step Program - In partnership with local healthcare institutions, additional care is provided to assist patients in their recovery. The Next Step Program provides local hospitals with a safe, stable residential facility to refer patients who need additional or ongoing care, but do not need to be in a costly hospital bed. The goal is to help patients take the next step in the process of a recovery journey.
