COAST

Rhythms of Mission

SENDING MISSION | *CrossPointe Coast on both ends of the rope.*

It is our desire at CrossPointe Coast to involve both those who go and those who stay in the joyful gain of the missionary's fruitful labor. Therefore, CrossPointe partners will both respond to God's call to go into all the world and preach the Gospel and will support those whom we send with our time, talent and treasure.

DISCOVERY MISSION | *Discovering genuine, relationally-connected love and engagement with the global church.*

One of the greatest things that we can discover from the church around the globe is a genuine, relationally-connected love for the people of God and a desire to join in pointing communities around the globe to Jesus Christ.

We will partner to send short-term groups to churches and mission outposts. We desire to go as learners and partners seeking to connect the two ends of the Sending Mission rope.

COMMUNITY MISSION | *Gospel Communities on Mission*

The call to Community Mission is a call to realize that we are engaged as missionaries in our own cultural context. We must, therefore, come to know the suffering and idolatry of our community and how to bring the truth of the Gospel to bear with clarity and compassion.

Community Groups are the primary means of engagement in Community Mission. Many of the opportunities for the Gospel in the community are best engaged not through an organized ministry or institution, but through more regular and intentional engagement of households and Community Groups in the lives of our neighbors.

EVERYDAY MISSION | *Daily lives of faith-filled obedience*

Gospel proclamation does not begin on the other side of an airplane flight or upon arrival to a soup kitchen. Gospel proclamation begins in the morning when your heart needs to hear the joy of salvation. Mission continues as we make known the Gospel to our households. It then moves into our neighborhoods and networks. It is as we live daily lives of faith-filled obedience for the sake of Christ and His Gospel that we will learn the meaning of Philippians 1:21-22, "For to me to live is Christ, and to die is gain. If I am to live in the flesh, that means fruitful labor for me."

How to Partner in Gospel Mission

- 1. Global Mission Weekend** | spend time becoming familiar with our Global Mission Partners and praying for them.
- 2. Community Groups** | Each community group focuses on specific Global Mission Partners for regular engagement, prayer and support.
- 3. Offerings** | 10% of CPCoast's annual budget is given in contributions to the above mentioned Global Mission Partners. By faithfully giving your offerings you help to support our Global Mission Partners.
- 4. Personal Contribution** | Our desire is to see every one of our Global Mission Partners fully funded and consistently prayed for. As individual households come alongside these partners, they grow in love for them and are able to participate in the proclamation of the gospel in that area of ministry.

Opportunity to Give

CPCoast has partnered in Gospel Mission with WEGO for many years and would like to come alongside them in their matching gift fund raiser.

WEGO has a big goal of launching a **\$100,000 Matching Funds Campaign** on November 1st! \$40,000 of seed money has already been pledged and they need help gathering the remaining \$60,000 before the campaign is launched. By pledging seed money you not only give to the work of WEGO, but your gift encourages others to give generously, too!

- WEGO has seen an unprecedented increase in all of their ministries' budgets while giving has slightly decreased in 2022. These matching funds will also ensure that ministries are fully funded for the rest of this year and into next year.
- This will put WEGO in a better financial position for building the new home next year in Mongolia! (CPCoast | Pineda is very supportive of the building of this new home as we have a special love for the people of New Hope Children's Home.)
- Your gifts will cover food and clothes for kids, salaries for local staff, gas for vans, utilities for buildings, Christmas activities, and more.

New Hope Children's Home | Gachuurt, Mongolia

Thank you for your faithful prayers and investment in the lives of the children and staff of New Hope Children's Home in Mongolia!

Thank you for praying! First Baptist Merritt Island is having a missions conference the same night you all are having your prayer gathering. They are focusing their prayer for WEGO on Nicaragua. How cool that both countries where WEGO serves will be covered at the same time?! Love it.

Thank You! -Zach

Prayer Requests

- Please be praying for our upcoming leadership transition. Aaya has just retired and Puje will be temporarily serving in her role. We have a goal of new leaders overseeing our ministry by the time our new home is built next year. Pray for God's wisdom as we select our new leaders and transition them into the ministry.
- Pray for Enele! She just moved to UB to attend a cooking trade school. Specifically, pray for her heart as she is in a new environment separated from her New Hope family.
- Pray for our home build. We are moving towards breaking ground on our new home in the Spring of 2023. Pray for clear guidance and wisdom as we finalize all of the plans.

Forever Mercy | South Africa

John and Naomi Menton helped to plant CPCoast and served alongside the Fyffe's and others for several years before God called them to foster care and adoption ministry in South Africa in 2012. They left with 3 girls and are now raising 8 children: Emily, Nooria, Ava, Nuuranah, Nkosi, Tita, Olo; and Chris. They stay very busy homeschooling and driving kids to extracurricular activities such as ballet, soccer, and horseback riding. John also serves at Grace Bible Church where he and Naomi lead worship.

InterVarsity | Central & South Florida

Tim and Cassie Gonyer were part of the original CP Coast church planting team. Tim now serves as Florida East Coast Area Director and oversees 6 staff members serving on 15 campuses from Daytona to Miami.

From Tim's September Newsletter: "In the first three weeks of the semester we have seen Jesus-centered communities started on campuses that have been dormant for years. We have seen students come to faith in Jesus, and many others who have expressed a desire to explore more about Jesus..."

Prayer Requests

- Pray for the staff members Tim oversees; Adriana, Jonathan, Lindsay, Alexis and Amanda. Some of them are serving on multiple campuses. Pray for strength and wisdom as they share Jesus with the students.
- Pray for laborers in this harvest. Tim writes: "Students are longing for security, for friendship, and a place to be known. They are longing for everything Jesus offers! The harvest is plentiful, the workers are few."
- Pray for the students on the 50+ campuses on the east coast of Florida. Pray that the gospel will go forth from those who believe and that Jesus-centered communities will be on each and every campus.

CrossPointe Español | Orlando, FL

Miguel Medina, pastor of CrossPointe Español was born and raised in Puerto Rico and moved to Orlando with his family when he was 19 years old. In 2014, Miguel began a Church Planting Apprenticeship with CrossPointe Orlando and in 2015 he and his wife, Carmen launched CrossPointe Español, a Spanish-speaking congregation.

CPCoast has had the privilege of partnering closely with CPEspañol since 2018. In addition to financially supporting them as a young church plant, CPCoast serves alongside CPEspañol in elder partnership and administrative support.

Prayer Requests

- In addition to pastoring CPEspañol, Miguel is assisting Acts 29 in building a more robust ministry to Spanish-speaking communities in the US and abroad. Pray for wisdom and strength as he balances his responsibilities.
- Provision for and of a part-time worship leader/pastoral assistant.
- Miguel is currently working with a few men for elder development and training. Pray for these men, that God would prepare their hearts for ministry.

GracePointe | Williamsburg, VA

Bill and his family were part of the team that planted CPCoast and it was at CPCoast that the initial vision for GracePointe Church was birthed. Bill wanted to plant a church that was deeply focused on the gospel being central in everything in the church and in multiplication through the planting of healthy churches.

In 2012, Bill sensed the call to take this vision to Williamsburg, VA to plant a gospel-centered church for God's glory. Later that year, CrossPointe sent the Dumphy family to Williamsburg to plant what would ultimately become GracePointe Church.

Prayer Requests

- A new pastoral resident/apprentice will begin training and serving with GracePointe Church this month.
- Praise for organic growth. GracePointe had six babies born in 2022.
- Children's ministry is growing. GracePointe recently added a 5th children's class.

CrossPointe | Jupiter, FL

Jesus calls the church to "go and make disciples" so that is what CrossPointe Jupiter is about! Brian and Corrina Sullivan helped plant CrossPointe Winter Park in 2008 and were sent out in September 2016 to further the mission of CrossPointe by pointing the greater Jupiter area to Jesus. The prayer and vision of CPJupiter is to help people Know God, Find Freedom, Experience Belonging, and Live Generously.

Prayer Requests

- Energy and encouragement for Brian and Corrina as they lead the community of believers at CPJupiter.
- Opportunities for partners to engage with the community and build relationships for the furtherance of the gospel and the growth of the church.
- The children and youth of CPJupiter will know Jesus as their Lord and Savior at an early age and grow strong in the knowledge of him and his Word.

CrossPointe Coast | Cape

We are so thankful for what God is doing through the church in Cape Canaveral. In our Coast congregation we have seen a lot of growth in trust and faith in Christ over the last year as He has both exposed our sin and erased our shame by His grace and for His glory! New households have joined us and many are experiencing what it means to be the Church for the very first time. God has been truly kind and gracious to us as a community and shown us favor amongst the people and institutions in Cape Canaveral. We are so thankful for the ongoing work of God in our community and look forward to this next season of being the Church here in the Cape.

Prayer Requests

- That God would build relationships and continue to grow our love and concern for the people of Cape Canaveral.
- Pray for Cocoa Beach Jr./Sr. High, Capeview Elementary, Space Coast Little League, Cape Canaveral Hospital and The City of Cape Canaveral.
- Pray for continued vulnerability and compassion for us as a people.
- Pray for our kids, we have a lot in the congregation - both their hearts and their influence within our community.
- Praise for a new facility to worship in.
- Pray for the Lord's provision.
