Brad Boucher

Thank you for considering to support the TBCH through my efforts to complete 314 miles coming up in 4 days. This is a daunting task that lies before me beginning this Thursday. I believe my effort to complete this journey run is a great way to raise awareness to TBCH and all the work they do for foster care and adoption in the state of Tennessee. I have been privileged to serve on the board of trustees for the past 3 years and will begin serving on the executive committee in the coming year. My goal is to raise \$10,000 by completing as many miles as possible in order to raise as much money as possible for this great organization.
