

5 steps to grow into **FORGIVENESS**

1 | CONSIDER that God forgives
Pray, learn, journal, think, and talk about it.

2 | ACCEPT that God forgives
*This is his character--he alone is big enough
to address this. He's bigger than this
terrain and we are not.*

3 | PLACE your pain
on Jesus and the cross
*Jesus paid a sublime and holy price--
don't waste it by not employing it.*

4 | ALLOW Jesus' forgiveness
to be given to another
*When you don't feel you can
offer it to someone, allow Jesus to instead.*

5 | GROW toward embracing
Jesus' forgiveness for another
as your own

*Each step is necessary in order
to be able to progress to the next one.
Skipping steps may likely leave you stuck.*
