

HOPE MEMORIAL SERVICES MUSIC

At Hope Church, we think about memorial services as services of worship, where we celebrate the life of a loved one and grieve their passing, while holding to the hope that we have in God.

Music is a powerful vehicle for our expressions of hope and faith in times of loss. Through many years of offering music in memorial services at Hope Church, we have found a list of songs that seem to be most helpful and are meaningful expressions of worship in these services.

Additionally, because these songs are familiar to our staff, it allows our musicians to respond at short notice when memorial services arise. We have chosen these songs because the lyrics focus on God, his faithfulness and goodness, and the hope of life that we have in him for eternity.

We hope that this list of songs is helpful to the process of selecting music for a memorial service.

You can listen to these songs [here](#).

Abide With Me
