

Thrive FAQs Spring Semester 2026

1. What is the theme of the study for this semester of Thrive?

Scarlet Thread of Redemption

From beginning to end, the Bible tells one unified story of God's plan to redeem fallen humanity through the sacrificial death of Jesus Christ. Our study will follow this "scarlet thread of redemption" through various stories from Genesis to Revelation, showing how God's plan unfolds with clarity and consistency across the pages of scripture, and helping us understand that without the shedding of blood there is no forgiveness of sin.

2. If I want to serve in some capacity at Thrive, how do I sign up?

There are two ways to communicate your desire to serve at Thrive: 1) Email Thrive co-leaders, Molly Duncan and Lauren Membreno, at thrive@hopecentral.com or 2) Check the box when you register that you would be interested in serving in some capacity.

3. How will participants be assigned to a table group?

Table assignments are prayerfully considered and made prior to the first day. At registration, each person can request seating with one friend. This allows Thrive to apply its foundational distinctives of being invitational, intergenerational, always being aware of the new person and provides a means to grow your community in Christ. In addition, if you are a seasoned Thrive participant, please consider serving newer ladies by sitting at a different table than you have in the past and sharing your experience with them. We encourage relationships and typically keep table assignments unchanged from Fall to Spring semester where possible. We realize some may want to meet new ladies and we occasionally need to rebalance the number of ladies at tables so your willingness to sit at a different table helps us stay flexible.

4. Do you offer childcare?

For those bringing children to AM Thrive, we encourage you to check out the Sprouts childcare offering. We can arrange a meet and greet with the Co-Directors and a tour of the childcare area if desired. For those who need to bring their younger children to the auditorium, we are setting up a special area in the concourse to allow these mothers and their children to connect just during the teaching time. The teaching will be broadcast in the concourse. Our hope is that this will provide a more comfortable environment for the mothers and children with no concerns about disrupting the teaching as well as provide a way for new connections. Mothers and children will then return to the auditorium to participate in their table discussions after the lesson.

5. Will snacks and beverages be provided?

Please bring your own beverage. All tables will be asked to provide snacks on a rotating basis throughout the semester. We encourage ladies to mark their food dishes with known allergens for safety purposes.
