ADULT CLASSROOMS

- Adopted by God | The Library | Vern and Ellie Schmidt, and Rob Alexander.
 - "Adoption is a family idea, conceived in terms of love, and viewing God as father. In adoption, God takes us into his family and fellowship – he establishes us as his children and heirs. Closeness, affection and generosity are at the heart of the relationship. Come and marvel in this reality, and be changed by it. To be right with God the Judge is a great thing, but to be loved and cared for by God the Father is a greater thing"
- J.I Packer.
Come and marvel in this reality, and be changed by it.
- Prayer | Room 110 | Jen Sanders, Giorgio Hiatt, Susan Nash, and others
 - "Prayer is how we press our hands into the invisible and find the hand of Christ reaching back." - James K. A. Smith.
This life we live and work in is real but not all there is. In this class we will "practice" pressing into the invisible together, to know our Lord more together. We will begin each time together the way Jesus taught his disciples to pray to His Father with the posture of praise and surrender. Each week we will explore a different prayer practice. We will end with a time of prayer for each other, our church, city and community.
"I pray because I'm helpless. I pray because the need flows out of me all the time, waking and sleeping. It doesn't change God. It changes me"
- CS Lewis
