

**LIVE IT OUT  
AT HOME**

Each week, your family can read God's Word, discover more about the lesson and share in an activity together.

## **BIG POINT: I AM A CHILD OF GOD**

### **Bible Reading**

1 John 3:1a (NIV), "See what amazing love the Father has given us! Because of it, we are called children of God. And that's what we really are!"

### **Family Devotional**

How many people are in your family? Through Jesus we are all God's children. That means we're part of a VERY BIG family, we have billions of brothers and sisters all over the world.

When we know we are children of God, we don't live by what others say about us, we live by what God says about us. God's voice means more than the voices of others, so we don't need to be worried about what others may say. We've been learning that we are who God says we are, and we've learned so far that God says we are chosen, we are not alone and we are His children. In the Bible we discover who we really are!

We are welcome and have a place to belong in God's family. When the children came to Jesus, the disciples tried to keep them away but Jesus said, "Let them come to me!" He welcomes us with open arms, we don't have to be good enough, work hard enough or look the part to belong in God's family. We are children of the Most High! Say together, "I am a child of God".
