MISSION EMPHASIS

At Hope Pregnancy Center, babies are being saved from abortion and parents' lives are being changed as the truth is shared with young men and women facing an unplanned pregnancy. God works in their hearts

as they are served with the love and compassion of Christ.

Some of the no-cost services Hope provides are pregnancy testing, option education, ultrasounds, and parenting education. Hope offers these services with the help of individuals who volunteer their time and those who give from their resources to supply the needs of the ministry.

Current needs: (donations can be placed in donation bins located throughout the church campus)

- Onesies (gender-neutral, newborn size)
- Baby bath towels and wash cloths
- Crib sheets
- Baby girl clothes (sizes 3-6 months)
- Newborn size diapers.

To learn more about Hope's mission and to discover how you can partner with Hope, visit obhc.org/Hope.

WOMEN'S MINISTRY

Come enjoy a time of food and fellowship with the Women's Ministry at First Friday Friends on February 4 at 6:30PM. Meet at Señor Pancho on 81st in Broken Arrow. Following dinner, we will proceed to the Student Center. Bring your favorite dessert to share. RSVP by January 30 to Breanna at 918.698.2847.

MISSION TRIPS 2022

The church has been given the joyous responsibility to engage our world with the Gospel. One way we seek to reach our world is through short-term mission trips. Our goal is to plan strategic short-term mission trips that result in sustainable Gospel impact in specific locations with SBC missionaries our church has partnered with.

Flyers listing details for our upcoming mission trips are available in the foyer at the Mission Table. Details can also be found online at arrowheights.org/trips.

Interested in learning more information on the upcoming mission trips this summer? Join Pastor Rich to hear details and to get answers to any questions you may have. Trips are open to students and adults. Information and registration are available on the website at arrowheights.org/trips. Please reach out to Pastor Rich at rich@arrowheights.org or ministry assistant, Yannah at yannah@arrowheights.org or by calling the church office at 918.455.5020 with questions.

CHURCH CENTER APP

Give, sign up for events, connect with a community, check your family in, and more!

Download the app today.

Over the next several weeks, we will be transitioning to a new church management software called Planning Center Online. It may sound familiar as we have used it for a long time for our worship service planning. This move will enable us to better minister to our church members and the community, as well as to be a better steward of the resources God has entrusted us with.

To get started:

1. From a computer go to arrowheights.churchcenter.com OR download the FREE ChurchCenter App available on both Apple and Google Play
2. Type in your **Cell Phone Number** OR **Email Address** to access your profile
3. You will be sent a code to whichever method you chose (either text OR email)
4. Type in the code in the box provided
5. Explore, but please know that we haven't yet activated all of the features. It is a work in progress
6. Make sure to turn your notifications on for Church Center...it will help us communicate with you better!!

The largest group affected by the move is those who choose to give online. Please see the email sent mid-December from Pastor Josh on how to set up online giving on the app.
