

THIS WEEK'S MINISTRY FOCUS

SMALL GROUPS

Small groups are intentional environments where we can *pursue Jesus together*. The Bible tells us that pursuing Jesus together is called discipleship. Discipleship is not an advanced degree of the Christian life. It is essential to all Christian life. Discipleship has many ages, stages and environments. All followers of Christ are called to be discipled and disciple others.

Pray this week for:

Monday: Discipleship is seeking Jesus together. Pray that we will all seek Jesus above all things.
Colossians 3:1-2

Tuesday: Gospel-centered community is transparent. Pray that we will experience the joy and growth of walking with one another in honesty and humility.
Colossians 3:9-11

Wednesday: Discipleship reaches deep and wide. Pray that all groups will invite people to their group with the compassion of Jesus.
Colossians 3:12-14

Thursday: Small groups encourage one another toward Christ-centered living. Pray that peace and unity characterize our time together that we may grow in the knowledge and wisdom of God.
Colossians 3:14-16

Friday: We are all called to gospel ministry. Pray that we will see our entire lives as a call to worship – living in the joy of the gospel.
Colossians 3:17
