Air Travel Requirements

Kapolei, HI

Luggage limitations

Carry-on: Most airlines allow 1 personal item (purse, backpack or briefcase) and 1 piece of carry-on luggage. Exact dimensions allowed for a carry-on are determined by the specific airline, but American & United are both 22”x 14” x 9”.

Checked luggage: The standard limitation for most carriers is 62” and 50 lbs. Number of bags allowed, and additional fees vary by airline.

TSA rules determine what can pass through security and go on board airplane. This includes items in purse, backpack, and carry-on luggage.

Liquids: No single bottle or aerosol container can hold more than 3.4 oz and ALL bottles and containers must fit inside a single quart size bag. Be sure to consolidate shampoo, body wash, lotion, dry shampoo, lip gloss, sanitizer gel, makeup or anything that can be considered “liquid” or they may throw it out. These items are all allowed without limit in your checked bag.

Sharps: No knives or straight blade razors.

Lithium batteries: Not allowed in *checked* bags. Be sure to bring power banks or other uninstalled batteries in your carry-on luggage.
