While this is an act of volunteering, we would like to remind you that there is a **\$35 per adult, per day**, and **\$20 per teen, per day credit**, that can be applied to your church's registration costs. Individual churches will decide who that money is applied to, but the camp secretary will deduct it from your final total on the Monday of your camp week. Please be sure to submit an accurate attendance count during work week.

If you have any further questions about the credit, please contact the camp secretary at info@indiancreek.camp

We are glad you are able to help us with this year's Work Week! While we will have basic labor for men, women, and teens, we ask if you would please list any specific set of skills you or any other volunteer, including teens, may have. This will help us determine different projects throughout the week. Thank you!
